I am pleased to recommend [Applicant's Name] for the loan grant under the **Educare Loan through the Benevolent Charity of The Mr. Michael D'Souza & Family Educare Endowment Fund**. Applicant and their family have been active members of our parish for years, participating regularly in parish activities and contributing positively to our community.

Throughout my time knowing The Applicant, I have found them to be of exceptional moral character, demonstrating honesty, integrity, and ethical behaviour in all their interactions. They are responsible, respectful, and well-regarded within our parish.

The financial situation of The Applicant's family has been challenging, with a total family income not exceeding the eligibility criteria specified by the Fund. This financial strain makes it difficult for them to pursue higher education without assistance. The family's need for financial aid is genuine and significant.

Academically, Applicant has consistently shown promise and dedication. Their achievements and their commitment to furthering their education highlight their potential for success. I am confident that with the support of this loan grant, The Applicant will continue to excel and contribute meaningfully to society.

In addition to their commendable character, The Applicant has shown active involvement in our parish and community.

1. Applicant is an active member of the YCS or ICYM unit in the parish. (YES / NO)
2. Applicant / Family members actively participate in Basic Ecclesial Community (BEC) meetings. (YES / NO)
3. Applicant is member of any other associations. (YES / NO). If YES
 - a)
 - b)

Given these qualities and circumstances, I wholeheartedly recommend The Applicant for the loan grant. I believe that with this support, he/she will achieve their educational goals and continue to contribute positively to our community.

Should you require any further information, please do not hesitate to contact me.

Sincerely,
